

<Submission of Chest X-ray Examination Results>

In accordance with the Infectious Disease Act and the School Health and Safety Act, employees of the school are required to receive a chest X-ray examination once a year in order to prevent group infections such as tuberculosis. Please **be sure to submit** the results of your examination.

[When to Receive a Chest X-ray Examination]

- Continuing faculty members: By the end of fiscal 2026 (after April 1, 2026)
- New faculty members: From 3 months before to 3 months after assuming the position

[Results to Be Submitted]

- Insured person: A copy of the results of a health checkup conducted by the health insurance association of the employer
- Dependent: A copy of the results of a health checkup provided by the health insurance association of the insured person
- National Health Insurance: A copy of the results of a health checkup conducted by the municipality
 - * For the health checkup results, please make a copy of the page showing your name, the date of the X-ray scan, the name of the medical institution, and the page showing the results of the chest X-ray examination.
- If none of the above apply: Results obtained at a nearby medical institution
 - * Please use the “Chest X-ray Examination Result Report” on the back.
 - * Some medical institutions can be referred by the school (only for those who work at the Itabashi Campus).

Kasuga Medical Clinic (Appointment required: Please call after April 17, 2026.)
